2 The right to supply two bullock carts on hire system for the purpose of removing street rubbish of the Town during the year 1941-42 was sold by public auction by the Municipal President

3 The lowest bid ~~offered~~ at the sale so held was for Rs 42/- per mensem for two carts Applications were subsequently received from certain persons agreeing to take up the said contract for a lesser ~~rent~~ amount of Rs 38/- per mensem for 2 carts

4 The question of confirming the sale originally held by the Municipal President for Rs 42/- per mensem and the

disposal of the offers subsequently received at lower rates was considered by the Municipal Council at their meeting held on 30th June 1941 The Council resolved that the contract might be disposed of after inviting tenders

5 In response to the tender notification published four tenders were received from the marginally noted persons

6 The Municipal Council at their meeting held on 18-7-41 accepted the tender of one Papaiah (item No 3) for Rs 32/- Per mensem for supply of two bullock carts (vide resolution copy enclosed in the records) being the lowest

7 The President reports that as the question of disposal of the said contract was under consideration by the Municipal Council, the daily cleaning work of the Town got done from the previous year's contractor on a monthly hire at Rs 20/- per mensem per cart during the month of July 1941 He adds that the 2 bullock carts of the new contractor were employed since 1st August 1941
